

THAMES LIDO

The majority of our wines are from family owned wineries and artisan producers representing great quality and value for money. We like to make sure the wine list reflects the food we are cooking in the kitchen and a lot of time is spent making sure what goes on merits its place on our finely honed short list. For those wanting to splash out, take a look at our 'Lido Selection'

Allergens & food intolerances: Please speak to our staff when ordering regarding any allergies or intolerances.
