

# LOCAL WINES

Chapel Down produces a world-class range of sparkling and still wines, together with the award-winning range of Curious beers & cider. Our sparkling wines are created using the Traditional Method, the same as Champagne, from fruit sourced from the South-East of England.

At Chapel Down, we own vineyards across Kent where we believe the finest overall conditions for grape growing exists in England. However, we also source our fruit from a wider geographic area – from Essex to Hampshire - to ensure we maintain consistency and that the risks of crop failure through frost and climate are reduced.

Chapel Down Brut NV
