FISH KITCHEN • TAKEAWAY • CHARCOAL GRILL • WORLD BEERS

Whitby has the best shores and coastline that Britain has to offer, with an abundance of the freshest seafood.

We are proud to use local suppliers, being able to support other local businesses is important to us. Our main supplier of fish is Lockers of Whitby who have Whitby registered boats and process their fish in Whitby.

All of our meat comes from Landers of Whitby who hang all of our steaks for 21 days.

Our main feature is Whitby's first charcoal oven which is capable of going up to 500°c this enables steak and chicken to cook at the same time making sure it tenderises the meat, making it succulent and moist.
