

PIZZA YARD

At Pizza Yard we pride ourselves on the art of pizza making. Our light and crispy Roman-style pizza bases are made in-house every day using the finest grade Italian flour and extra-virgin olive oil. Our dough is matured in 3 stages over 72 hours and then hand tossed and stretched, topped and stone baked in our custom-built Castelli oven imported from Rome. We have taken inspiration from recipes from around the world for our bold and daring toppings, using only the freshest and finest ingredients.

We believe that our pizza is so good you'll want to share it with your friends and family. After all, what's quality pizza without quality people to share it with? That's why our pizzas come in not just a 12-inch size but also one or two yards, turning every pizza into an occasion.

Don't take our word for it, try it and you'll see why we say...

LONG LIVE PIZZA!
