Welcome

Thank you for choosing to dine with us. May I introduce myself. My name is Mike and although I may not always be able to personally welcome you, I would like to extend to you an extremely pleasant visit.

My aim in conjunction with my management team and staff is to provide you with a high standard of service, quality food and value for money at all times.

We aim to supply the highest quality produce and our butchers, Mainstream International, are supplied from fully accredited and traceable chains. All our beef is matured the old-fashioned way, hanging the beef on the bone for a minimum of 28 days. The same philosophy also extends to our fruit and vegetable supplier Zest produce that are also sourcing much locally grown produce.

I currently operate five successful bars and restaurants in the area all with the same high standards as those I remember my grandparents and parents operating some 50 years ago. Whilst expectations have amplified over the years our simple philosophy of excellence and value still forms the pillars of my success.

To enable me to meet our web address, 'probably the best pubs in the world', I need great outlets which I hope you'll agree we have.

The Risley Park has been awarded several prestigious titles including National Pub Operation of the Year for maintaining such high standards. The Park Rooms function suite is ideal to host a variety of events including private hire, weddings, parties, conferences & much more. You can book a table online for this restaurant.

The Plough at Normanton on Soar which proudly stands on the bank of the river Soar. The contemporary restaurant, function room and extended outside drinking area with riverside gardens makes this the ideal venue to relax and meet friends

The Hunting Lodge at Barrow upon Soar is a spectacular three storey, granite building which was lovingly restored including the development of the six en suite hotel bedrooms, each individually designed. Next time you're out, I recommend you take a look!

The Carnarvon in the historic village of Teversal oozes history and intrigue and although undergoing huge refurbishment in 2009 we still managed to retain the character within the famous 'Ship Room', a contrast to the refreshing ambience of the restaurant, glass house and bar areas.

The Tattershall Park stands proudly overlooking the National Trusts Tattershall Castle on the edge of Tattershall's popular Country Park and Lakes attraction. The contemporary cutting edge design incorporates sleek features alongside some quirky twists.

I sincerely hope you thoroughly enjoy your visit and would appreciate any comments you may have, whether critical or praising.

May I thank you once again for choosing this venue for your meal and I hope to welcome you again in the very near future.
