—/ **FROM THE FARM** /—

Across all Imagine Inns pubs and restaurants, we pay special attention to the provenance of the produce and ingredients we use in all of our dishes. This philosophy is best demonstrated through our dedication to sourcing the finest local fish and meats. With the help of local butchers, The Butlers Team source their own rare breed meat from herds and flocks from across Lancashire and Cumbria. Our beef comes from local Dexter, Longhorn, Shorthorn and Belted Galloway herds; whilst our lamb comes from the Lakeland legend that is the Herdwick. Our aim is to continue the tradition of taking local produce from farm to fork.
