Barnsole Boutique Winery, Staple (Situated a short bike ride from the hotel)

Barnsole is a boutique vineyard, a winery, run by two passionate wine makers who strive to produce premium quality English wines. The vineyard is located in the picturesque country village of Staple, a very short drive from here. The (loam over chalk) soil regularly offers-up relics such as Napoleonic buttons, musket balls and the odd clay pipe that was discarded by a farm hand, long, long ago. Barnsole's situation delivers the perfect geology and climate to produce the high quality grapes that make the award winning English wines. The grower diligently nurtures their vines by hand throughout the growing season. Visitors are welcome to drop-in for a free mini-tour and tasting of the still wines at any time. A full one hour guided tour - with the winemaker - can be booked in advance by us for you and carries the modest fee of around £15.00 per adult.
