Welcome to The Fishbourne we are very happy to be able
to serve you again. During these uncertain times we have
reduced our menu to be able to ensure the meals we
provide you are produced to order using the freshest
produce, locally sourced where possible. We have a
range of daily changing specials that your host will send
to you in a picture format. This is done to reduce the
need for customers to leave their seats and thus ensuring
we can confidently supervise our social distancing policy.
If you have any concerns you can find our risk assessment
and our customer and staff safety policy on our website
www.thefishbourne.co.uk. There is also a copy
available if you wish to see them, just ask your host when
they come to take your food order.
