WHAT THE RÄV SAYS

Begin your lunch at The Räv with a selection of smørrebrød - our take on the classic Danish open-sandwich. Warm yourself with spinach soup and unwrap joyous cabbage rolls. Our Danish Hot Dog cuts a more indulgent bite.

While away time at a window (we have many) with an Aquavit Fizz, or watch the world go by from our heated balcony over a dry gin Negroni.

With the scent of cardamom and cinnamon in the air, hide out in our hyggekrog and embrace the Swedish tradition of fika with coffee and cake. Or sit front and centre at the bar with the Räv - somewhat more shy in the day - as the mezzanine bustles with activity above.
