# PETIT DELIGHT

We strive to provide you with an enjoyable dining experience, using the best local produce whenever possible. Our butchers source some of the best livestock and poultry, and we are fortunate to live by the sea, which yields some of the finest fish from around our shores.

Our food is cooked fresh to order by our talented team of chefs, who will endeavour to provide you with the fastest service possible, but will never let the quality of their food suffer; therefore some delays are possible, especially at busy times.

We do our utmost to provide you with great food and service, but if it's not up to our usual high standard, we ask you to inform us of any complaint as soon as it arises. This gives us the chance to put it right.

**Thank you for your custom and we hope you enjoy your visit.**
