## DECORATIONS

Whose hoping for a white sand Xmas? We may not be able to bring you white sand and blue seas, but once you enter Guanabana you'll feel as though you've transported yourself to the tropics.

With Xmas palm trees, beautiful lights, party crackers and colourful garlands, it might be a fitting time to dust off that loud surfer shirt you've been saving for a sunny day.

The tropical decoration package of premium party crackers and flower garlands is an additional £2 per head.

## BYOB - BRING YOUR OWN BOTTLE

Our bring your own bottle policy, allows our diners to bring their own alcohol for a byob fee of £3 per head.

You can bring as much or as little as you like. We will provide the glasses and all the necessary ice and ice buckets to keep your bevys at the right temperature. With some Xmas venues charging extortionate prices we're pretty sure huge savings can be made by booking with us.

n.b. our policy does not extend to non - alcoholic beverages. This must be purchased on site.

## EARLY BOOKINGS/ OFF PEAK/ DEPOSIT

Check in with your Christmas co-ordinator what dates apply for our off peak deals. There will be a deposit required of £10 per head, refunded on the day of arrival. This can be made over the phone via card or come in to pay in cash. No refund will be issued if cancelled within 48 hours of booking or for no shows.

## AVAILABILITIES
