# Wines By The Glass

## Coravin Fine Wine Selection

Enjoy a glass of wine from some of the greatest sites and producers in the world. Without even pulling the cork the Coravin™ System has allowed us to offer some of our rarest wines from the cellar by the glass.

**125ml**

### White

2007    **Domaine de Chevalier Blanc, Pessac-Léognan, Graves**    **£40.00**

The winery and vineyards are located south of the city of Bordeaux, in the commune of Léognan. It is one of a very few Bordeaux estates to be named *domaine* instead of *château*. From a property of 80 hectares, 4.5 hectare are white grapes 70% Sauvignon Blanc 30% Semillon producing 1200 cases of white wine per annum

2008    **Domaine A Lady A Savignon Blanc**    **£40.00**

Domaine A lies on a north facing slope in The Coal River Valley that enjoys a temperate maritime climate, with annual rainfall often less than 500mm. Long, dry and mild growing seasons allow fruit from the property's 11ha of closely planted vines to ripen well into late April and early May. Ancient soil and truly cool climate give rise to inspirational terroir founded on 200 million year old Jurassic Dolerite.

### Red

2005    **Taupenot-Merme Corton Rognet Grand Cru**    **£40.00**

Just to the northeast of Le Corton, technically in Ladoix-Serrigny, lies the brilliant grand cru Corton Rognet. One of the best exponents of this 'under the-radar' vineyard is the hugely overachieving Domaine Taupenot Merme. Concentrated aromas of violets, cassis, red currant and dark pinot fruit that give way to a rich, full-bodied and powerful medium weight.

2010    **Paul Hobbs Cabernet Sauvignon, Beckstoffer Dr.Crane**    **£60.00**

Named 'most influential winemaker' in California and receiving the magical 100 point score from Robert Parker more than once. Fermented in small, closed-top stainless steel tanks with indigenous yeasts before a 6 day cold soak, then 30 days total maceration. Spontaneous malolactic fermentation in barrels then 20 months aging in 100% new French Oak barrels, and bottled unfinned and unfiltered.

### Sweet

1996    **Chateau d'Yquem 1<sup>st</sup> Growth, Sauternes**    **£60.00**

Wines from Château d'Yquem are characterised by their complexity, concentration and sweetness. A relatively high acidity helps to balance the wine's sweetness. Another characteristic for which Château d'Yquem wines are known is their longevity. With proper care, a bottle will keep for a century or more. During this time, the fruity overtones will gradually fade and integrate with more complex secondary and tertiary flavours.

2009    **Tokaji Aszu, 6 Puttonyos, St. Tamas**    **£40.00**

The village of MÁD, the most prestigious in the region of Tokaj is still composed of many plots of small growers. Grapes were harvested from Percze vineyard for the base wine and the botrytised berries were selected from Dancka vineyard. Fermented and aged for four years in third filled Zempléni oak.
