

# à la carte menu

SPRING 2016

If you have a specific dietary requirement, please ask the staff for further assistance or information.

We cannot guarantee our dishes are allergen free. All dishes are produced on site daily using the finest fresh Welsh ingredients. As a result, a little time is required for preparation. The bread is freshly baked in our bakery, and dairy produce (including butter & Aberwen Cheese) are produced in the on-site Bodnant Dairy.

All are available in the farm shop.
