## *Tiffin Tasters - Lunch Menu £9.95*

*The word 'Tiffin' is generally used in the Indian sub-continent for light lunches or an in-between meal snack. A common approach to this is to fill the tiffin boxes with light snacks, prepared for working Indian men by their wives after they have left for work, and forwarded to them by Tiffin Wallahs. In parts of the sub-continent most road-side restaurants will have a board displaying 'Tiffin Ready'. Here at ZARI we have taken the 'Tiffin' concept to prepare delicious hot Indian food for you to enjoy at lunch time at the restaurant without denting your pocket.*
