Tea & Coffee ———

We are proud to serve real coffee and loose-leaf tea all day long. All our coffee is freshly ground and prepared in a classic espresso style. Our house roast is Cotopaxi, which is a smooth and full bodied South American coffee. We also carry a rotating guest roast, so be sure to ask our team what's on this week.

Breakfast cocktails ———

Is it after 11:00am? Have a classic morning cocktail to accompany your breakfast. Our current cocktail list is available on your table or at the bar.
