

Jameson's Café & Tea Rooms

I had always dreamed of an elegant, warm, relaxing tea rooms where the service & attention to detail is second to none and everyone is welcome. In 2012 with the help of my family I opened Jameson's Café & Tea Rooms.

Jameson's has been a well-known name in Sheffield since 1883.

Originally famous for antiques, now renowned for our wonderful afternoon tea, home baked cakes, delightful lunches and welcoming atmosphere.

I am so excited to have been able to take the Jameson's experience to Oakwood, Leeds for the next step of this wonderful journey. I feel we have come a long way since I served my first pot of tea a few years ago. I hope my amazing team will make each and every visit an unforgettable experience.

More than just a taste ...a treasured moment.
