

Welcome back. Come on in.

This is how we do things now.

Table service only

Please order at the table with your assigned server and not at the bar.

Two hours maximum

Your maximum dining time must be no longer than two hours

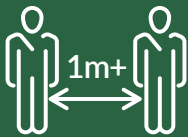

We love contactless

Although we will take cash, we prefer where possible you pay with contactless.

Your allocated server

You will be allocated one server for the duration of your visit, please channel all your orders and enquiries through this person.

Obey the One metre Plus rule

At all times maintain a minimum of one metre distance. This applies to the tables and chairs too. Please don't move them, they've been measured and arranged for your safety.

One in, one out

When it comes to the loos, always remember to sanitise on leaving too.

Thanks for your patience and good sense during these times.

ALLERTON MANOR
