## ENGLISH SPARKLING, PROSECCO & CHAMPAGNE

*When it comes to English wine there's a lot to shout about, not least the stunning sparkling wines from Henners.*

*Based just 4 miles from the sea in Herstmonceux, East Sussex, the 7acre vineyard was created in 2007 by ex-Formula One engineer, Lawrence Warr. Planted with traditional champagne varieties of Chardonnay, Pinot Noir & Pinot Meunier, the vines thrive in an idyllic microclimate created by the vineyard's proximity to the sea, low altitude (only 24 metres above sea level) & steep, sunny, south facing slopes.*

*All Henners wines are hand-crafted from start to finish; with separate fermenting of varieties & their vine clones to allow a broader range of wines for final blending; extended lees ageing for added complexity; & holding back of all bottles for at least 3 years prior to release to add depth & richness to every wine.*
