Wines of the month

Lugana, I Frati, Ca dei Frati, 2015, Italy	9.95 glass
The Dal Cero estate, situated on the southern shores of Lake Garda, has developed into the best producer in Lugana - the secret to the success of the Cà dei Frati wines is outstanding vineyards. Most producers in the zone overcrop and train the vines high. At Cà dei Frati, the vines are trained low, and yields are well below the average for the zone. This wine is made from grapes grown on 10 to 35 year old vines. In Lugana, the Turbiana grape is grown on the glacial soils just to the south of Lake Garda. The must was fermented in temperature-controlled stainless steel tanks and unoaked to maximise its fresh fruit character. The wine remained on the lees in stainless steel tanks for six months before bottling. Light yellow in colour with a concentrated but fresh perfume of white flowers, peaches and ripe lemons. On the palate it has excellent depth and balance, with lovely richness and a crisp, lively finish. Stunning !	39.95

Montepulciano d'Abruzzo, Farnese, Colline Teramane, DOCG, 2009, Italy	9.95 glass
This is a stunning example of Montepulciano from Farnese, a producer that's been in wine making for over four centuries. Farnese was founded by Princess Marguerite of Austria, daughter of Emperor Carlo the fifth and wife to Prince Octavio Farnese. The vineyards are situated around the towns of Ortona, San Salvo and Pollutri on the Adriatic coast of the Abruzzo region. Facing south east, vines are planted on a mix of clay and limestone soils. Ruby red in colour with garnet reflections. The nose is intense and persistent with a spicy bouquet, and hints of chocolate and tar that complement the vibrant dark fruit character. On the palate it is very well balanced and displays great structure and tannins. Please try !	39.95
